Kitchen Sinks

Create a beautiful focal point for your kitchen with the perfect sink from Barclay. The smooth, subtle, ceramic beauty and hardwearing, non-porous finish of a fire clay sink provides an enduring look that is both practical and attractive. Protect the surface of your designer sink with a gleaming stainless steel wire grid. Our grids are constructed of 304 grade stainless steel and feature rubber feet to protect against scratches.

Copper

Infuse your kitchen with the rich, warm appeal of copper. Hand-crafted and hand-polished for optimal beauty, copper develops a lovely patina over time and has a natural resistance to bacteria.

Natural Stone

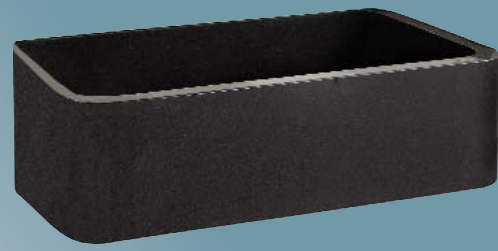

Design the kitchen of your dreams with the unrivaled natural beauty of a genuine handcrafted stone sink. Whether you choose hand-chiseled granite or highly polished marble, your sink will be a one-of-a-kind creation displaying the unique color variations and beautiful veining that can only be found in natural stone.
